

RHODE ISLAND BROADCASTERS ASSOCIATION

ALERT MESSAGING PROGRAM

Dear Parents & Guardians,

The television and radio stations of Rhode Island offer an ALERT MESSAGING SYSTEM sign-up at your favorite radio or television station website. The RIBA Cancellation system will let the registered user know when a school has cancelled, delayed or has early dismissal through CELL PHONE TEXT or EMAIL. You are able to select (2) places to register for ALERT MESSAGING.

Rhode Island Broadcasters Association is always working for our viewers and listeners to improve Public Service to the communities we serve. This year we have contracted with a mass communication service to make sure that your messaging brings you the information about your child's school closing, delay or emergency information – without delay!

Be the first to know when your school closes, delays or announces early dismissal. Take time now to register at your favorite television or radio website!

Have a safe winter season!

RHODE ISLAND BROADCASTERS ASSOCIATION

Rhode Island Broadcasters Association (RIBA) is comprised of members from both Television and Radio stations that serve the Southern New England area. An association dedicated to promoting diversity and following the tenants of democracy, its Board of Directors lead with a spirit of unity in their mission to raise awareness of issues in need of a voice, using the power of broadcasting.

With the strength of membership, RIBA and all of the free over the air broadcasters licensed to Rhode Island work together to create programs and complete initiatives that benefit our community.
