Computer Science Boot Camp Grades 6-8

Program Week: Monday, July 9 - Friday, July 13, 2018
Program Hours: 8:30 a.m. - 11:30 a.m.
Program Location: Joseph L. McCourt Middle School

****The program fee is \$40.00 and is available to Cumberland students**
Space is limited 20 students in grades 6-8**

Reserve your spot and return the registration form by June 15th to Mrs. Dooley

Overview

The purpose of this program is to generate and create interest in the Computer Science Pathway for Grades K-12. The vision is for students to have the opportunity to learn and develop skills using Design Thinking, Digital Design, Computer Aided Design (CAD), and Blended Learning relevant to the Computer Science Pathway.

Goals

1. Launch a program that offers instruction and exposure for all grades in 21st Century learning. This program directly supports the Governor's efforts and expectations for Computer Science expansion in the State.
2. Expand and build upon the current model so that more students have access to Computer Science Opportunities.
